PREPARE FOR TRYOUTS

PDXVB Volleyball Club

REGISTRATION

We ask that all players interested in playing for PDXVB during the 2026-27 season complete the online player registration prior to tryouts.

CEVA MEMBERSHIP

All players must have a current CEVA membership before participating in tryouts. Membership options and registration can be found on the CEVA website. Once purchased, players/parents can access their digital membership card on their phone.

ATTEND BOTH DAYS OF TRYOUTS

All players should plan to attend BOTH days of tryouts. We offer two days to ensure we're able to see all players interested in our club.

COMMITMENT OFFERS

Commitment letters may be offered to selected players at any point during the first ***or*** second day of tryouts at the discretion of club directors.

To accept your spot on the team, players will need to sign their commitment letter (digitally using a QR code) and pay the deposit fee ($300). If players do not accept their commitment before they leave, they risk their spot being offered to another player.

Teams will be finalized during the second day of tryouts.
